Prime Minister Trading Cards Assignment

Prime Ministers are an important part of the Federal Government and Canada. They have a very powerful position in Canada. In our history we have had a great many people be Prime Minister of Canada and have helped shape Canada to be a great country.

Just as great athletes have trading cards, we think that Prime Ministers should have trading cards as well to show off their great deeds and contributions to Canada.

Your task is to choose **THREE** Prime Ministers of Canada and find information on them to put on your trading cards. You will then have a total of three trading cards in the end. Please refer to handout for the necessary information.
